CATHCART
WILL ACCEPT
"I will certainly not refuse the office
of county attorney," said John W.
Cathcart this morning, the newly elected
county attorney. "I would be foolish
to do such a thing. I have been elected
to the office and I intend by all
means, to fulfill the duties of the office.
The fact that Brown has been defeated
for sheriff will not in any way, cause
me to refuse to accept the county attor-
neyship."

It had been stated previously to the election that in event of Brown not being re-elected, Cathcart would decline to enter upon the duties of county attorney if elected. Cathcart's positive declaration on this score this morning, disposed of such rumor.
"But," continued Cathcart "I would have preferred to have won with the Republican party or else gone down to defeat with it. But as the result shows I have been elected I will certainly not disregard the result of that election."

MURRAY ADVISES
RECOUNT FOR BROWN
Harry Murray chairman of the Republican county committee is strongly in favor of a recount.

"The matter of a recount rests with Sheriff Brown," said Murray "but I would strongly recommend that a recount be secured. My reason for making such recommendation is the fact that the result shows such a close margin for Lauke that a slight change the other way would turn the decision in favor of the Republican candidate."

Lauke won by from 14 to 18 votes. I am informed that at least 400 ballots were rejected in various precincts, many of them upon mere technicalities while on the other hand, some of the ballots that were counted might have been rejected for the same cause. I do not for a moment think that there was any fraud practiced for the various inspectors were, I believe, honest. They were in many instances, simply unfamiliar with their duties and made incorrect rulings about the rejection of ballots that may have a material influence on the result of the election.

"I hear that in one precinct twenty ballots, straight Republican tickets, were thrown out upon the merest technicality while seventeen were thrown out in another precinct."

"I do not believe that a recount would in any way change the result with the other candidates. But where about 5,000 votes were cast with only a margin of 14 to 18 votes, it would be foolish not to seek a recount. However this is a matter for Brown to determine."

"As to the causes that led to the defeat of certain of our county candidates, I am at a loss for an explanation. If you analyze the figures for some of the candidates it would seem that the Democrats did not win on their merits as Democrats, but won through outside help. The way that Harris was thrown down was a shame. He had served in the legislature and had been in affairs for years. There was absolutely nothing against him but he was thrown down."

ENTERPRISE GETS
AWAY SATURDAY
The S. S. Enterprise now lying at the Channel wharf with two blades gone from her propeller will leave for San Francisco on Saturday and will be accompanied by the tug Fearless. The Fearless goes to San Francisco to do duty and, incidentally, escorts the injured steamer Enterprise, ready to assist if she is needed, for with two blades gone from her screw the Enterprise might be in serious danger of having to hoist a sail, finding that the screw had become bladeless.

The Fearless goes on the drydock tomorrow to have her bottom scraped preparatory to the trip. The Enterprise goes up in ballast.

FIRST SUGAR TO
TEHUANTEPEC
The first vessel to take sugar from Hawaii for delivery East via the Tehuantepec route will be the American-Hawaiian steamship Arizona.
Cable advices were received today by the local office to the effect that the Arizona will sail from Puget Sound on the 14th of this month for Honolulu direct. She will take about 12,000 tons of sugar from this port to Salina Cruz, the Pacific terminal of the Tehuantepec railroad and at that point it will be shipped across the isthmus. At the Gulf end of the railroad the sugar will be transferred to ship again for New York.

The A-H. S. S. Nebraskan sails about the 17th instant from San Francisco for this port direct.
